MAKING DISCIPLES

Jesus says "go, make disciples." I prayer walk neighborhoods and meet community leaders to make connections and relationships for expanding a congregation's reach in the neighborhood. I help congregations develop discipleship systems to grow spiritually mature Christians who walk with Jesus and make a difference in the world.

TRANSFORMING LIVES

Jesus calls us as partners to build God's Kingdom on earth as it is in heaven. Personally I make micro-loans through Kiva.com to change lives of low-income people. At church, I work with ministry teams to build relational programs that meet today's needs and build a better tomorrow.
